

Economy Downlight

Versatile, low cost LED downlight. Supplied with Power supply for direct installation. Low build-in depth for ease of installation.

Features

Lumen Output

Warm White	620 lm
Neutral White	700 lm

Power Consumption	16W
--------------------------	-----

Efficacy

Warm White	39 (lm/w)
Neutral White	44 (lm/w)

Colour Temperature (CCT)

Warm White	3000K
Neutral White	6500K

Beam Angle	120°
-------------------	------

Colour Rendering Index (CRI)

Neutral White	70
---------------	----

Rated Life	35,000 Hours @ 70% Lumen Maintenance
-------------------	---

Voltage	220-240V -50-60Hz
----------------	-------------------

Operating Temperature	-10°C to + 40°C
------------------------------	-----------------

Symbols	CE
----------------	-----------

Benefits

- Long life time, lasts up to 5 times longer than CFL light sources
- Energy savings up to 25% compared to CFL fixtures
- Low built-in depth, versatile installation
